NEW Skin Nourishing Milk Bath **Supersize**

Elemis celebrates 20 years of excellence with this exquisite limited edition Skin Nourishing Milk Bath glass decanter, reminiscent of the original packaging.

In 1990, Elemis formulations were created with the vision of combining potent plant actives in luxurious natural bases. Right from the beginning, the products delivered exceptional results, both in treatments and at home.

Today, this global British brand continues to deliver that vision with new cutting-edge scientific ingredients and clinically proven products showcasing at the Elemis day-spas.

CELEBRATING 20 YEARS OF EXCELLENCE

The mission of Mothers4Children is to see a world where all children are loved, valued and able to fulfil their potential. Every purchase of this product will help Elemis donate to their charity programme.
