

SPRING INTO A NEW CAREER

LIFESTYLE | BEAUTY | TRAINING

- Our courses are flexible and are open to all ages with small friendly classes
- The Rooms offer a unique opportunity to train within a real salon environment to enable you to maximise your people skills and get the best practical experience possible.
- Highly qualified and approachable tutors and staff
- Scholarships available through email application
- We provide Level 2 and Level 3 courses with no pre-entry qualifications needed
- During your training you will be working towards receiving a recognised industry and worldwide qualification provided by VTCT (Vocational Training Trust)
- Our ongoing support improves your chance of success
- Career advice / Job placements available

FAST TRACK BEAUTY & HOLISTIC COURSES TO FIT YOUR LIFESTYLE

Beat the credit crunch with our new beauty and holistic open learning programme

- Days and hours specially designed to suit your family / work life
- Our intensive fast track beauty therapy training courses are specially designed to meet the requirements for those who wish to undertake beauty therapy but have a tight schedule so are unable to take part in full or part-time courses.
- Unlike other fast track courses advertised you will have the backing, comfort and support from one of the most renowned and established beauty schools, to enable you to succeed in a professional qualification and build your skills gradually into a successful career
- Each module can gradually be built up to a complete beauty certificate
- Each subject includes 2 days intensive hands on beauty training
- New affordable course fees
- Scholarships available through email application
